What sets us apart? From Supplier to Partner

eBrief's FIRST and ONLY Disposable system

- Reduce Infection Control concerns that can pose risk for inspections and infections

Proven Early Adoption Program

- Successful pilots, then Early Adopters, eBrief is helping thousands nationally tackle all the complications of incontinence with one solution
- Study showing 100% prevention in incontinent related skin breakdown, 50% reduction in falls, and an 83% reduction in Urinary Tract Infections for a skilled nursing facility partner

eBrief Community and Partner Portal

- Our support community provides a resource hub with the latest, trusted resources for all care service levels, a portal stuffed full of helpful trainings on our solutions, reordering, and access to data reports, and a place to learn more about the impacts of incontinence on vulnerable populations and why it is an initiative that we cannot afford to ignore.

Partnership Success

Easy & clear value propositions

We have all the tools you need to market your services to potential clients about our services and the positive impacts our solutions have on those that suffer from incontinence and need care in any setting.
